Hello, my name's Blaine Klingaman, I'm an Angel's Kiss Casino Franchise owner and iSexy Party Network Party Concierge!

If you have any floor space that you can spare, like a corner that is dead space most of the time, I would love to discuss with you placing an Angel's Kiss Casino and any of our unorthodox fundraising events in your bar to help raise money for your favorite charity and entertain your guests for hours, while attracting new patrons and generating repeat business for a stronger and more loyal customer base.
