CERTIFICATION TO PARTY AROUND THE GLOBE & DRINK FREE

When partiers travel to your hometown, be the first Bar they visit, and the one they come back to before they travel home!

party & travel advisory!

Join other Official Blaine's Travel Club Business Members, around the globe, welcoming visitors to their hometown by offering them complimentary drink(s) on their first visit!

A group of friends will pile into a car, van, bus, cruise ship or airplane and take a trip to your party destination, somewhere they've never been before!

They'll present their Official Blaine's Travel Club's® VIP Party Passport and a government-issued Driver's License or Picture ID to the bartender stationed at the Blaine's Travel Club VIP Welcome Checkpoint!

Once their age, identity and citizenship is verified, your bartender will stamp their Official VIP Party Passport with your Bar's Official VIP Party Checkpoint Stamp and then serve the complimentary drink(s) of their choice, offered by your bar.

The farther they travel, the more complimentary drinks they'll receive! If they traveled from...

your region = 

another region =  

another country =   

another continent =    

...and now, the fine print!

- a. Once they've received their complimentary cocktail(s) and their Official VIP Party Passport has been stamped with your Official VIP Party Checkpoint Stamp the offer will be considered fulfilled and may not be used again! One stamp per location.
- b. If a VIP Party Passport has been altered or pages have been torn out, the bartender viewing it has the authority to confiscate the passport immediately and mail it back to the Blaine's Travel Club!
- c. You should never serve alcoholic beverages to anyone underage, anyone who has already exceeded their limit, or anyone that does not have proper identification that does not match the identifying information on their Official VIP Party Passport.
