When your company generates over \$250 in rides I'll give you a permanent, attractive 8x10 Backlit LED VIPR Wall Sign, shown to the right.

But until then, hang the temporary sign printed on the front page, near your front door letting your patrons know that VIPR will be available from your business.

Atlanta, Georgia, USA – At Blaine's Travel Club® LLC we take pride in helping our VIPs, Very Intelligent Persons, find Amazing Shopping Experiences, Discounts, Free Stuff, Outrageous Party Atmospheres with rewarding Entertainment and Games, but we're also concerned for their safety and well-being while doing so.

To resolve our concern, we decided to develop our own Rideshare Service called Very Intelligent Person Rides, VIPR for short - "*viper*"!

what makes vipr unique?

VIPR is not a stand-alone rideshare company, it's a service of the Blaine's Travel Club® adding value to our brand by transporting our VIPs to and from our Official Blaine's Travel Club Hot Spots.

Our VIPR Designated Drivers are also Power Pyramid Travel Concierges who are helpful and knowledgeable of what's happening within the Blaine's Travel Club®.

Riders may choose their three favorite drivers and lock them into their VIPR Rider's Account so whenever they need a ride, and if any of their favorite drivers are on duty, they may select the one they want. This will help build strong Rider/Driver Relationships and a strong feeling of familiarity, comfort, and safety!

travel points!

I want to offer VIPs safe & reliable rides to and from your business and reward them for patronizing your company and ours! So, we're giving VIPR Riders 100 Travel Points for every \$1 Spent on Every Ride,* redeemable for any of the thousands of quality gifts found in our Travel Points Gift Mall.

birthday ride!

Every Year, one week before a VIPR Rider's birthday, I will add a Birthday Ride Credit to their VIPR Rider Account, good for up to 25 Miles, that they may use From or To their Birthday Celebration or wherever they wish to go and they may invite as many friends as there are available seats in the Snake!

five income streams!

Authorized VIPR™ Designated Drivers, must also be an Official Blaine's Travel Club Power Pyramid Travel Concierges, generating five streams of income simultaneously, one as a driver, obviously, and as a Travel Concierge they will continually receive 10% Commission Checks from the purchase of Travel Points, VIP Flash Coupons and VIP Loyalty Cards when the Companies, Retail Businesses, Bars & Nightclubs in their network, pay for any of our business building services that they use each month!

retro random radio!

To make VIPR stand out from all the other services, all Authorized VIPR Designated Drivers will have the option of installing and using our *WBTC The Club* in their vehicle, FREE-OF-CHARGE!

This will give their VIPR Riders complete control over selecting and playing their favorite music genres and they may even mix them themselves from the comfort of the back seat, if they wish, making the ride not only enjoyable but interactive, crazy fun and groovy!

If you would like to become a Future VIPR Pick-Up Spot, contact me so that I may get started setting up your company as an Official Blaine's Travel Club Hot Spot, and begin promoting your company to the world!
